
**KCCS MAINTAINING STUDENT ENROLMENT
AND ATTENDANCE REGISTERS**

**KCCS CERTIFICATE OF EXEMPTION POLICY
(APPENDICES 1-7)**

1. Policy Statement

Kingdom Culture Christian School seeks to provide, through its pastoral care and attendance policies and procedures, a safe, caring and flexible environment where students can be trained in the importance of regular attendance and in respect to being accountable. It will enact procedures that meet all legal requirements.

2. Enrolment Statement

The Office Manager maintains a Register of Enrolment for each student. In the enrolment register, the following information of each student is recorded:

- name, date of birth and address
- name and contact number of parents or guardians
- date of enrolment and for students older than 6 years old, previous school or pre-enrolment situation
- where appropriate, the date of leaving the school and the student's destination
- where the destination of a student below 17 years old is unknown, evidence that a Department of Education and Communities Officer with home school liaison responsibilities has been notified of the student's full name, date of birth, last known address, last date of attendance, parent's names and contact details, an indication of possible destination, other information that may assist officers to locate the student, and any known occupational health and safety risks associated with contacting the parents and student.

The enrolment register of each student will be retained permanently by the School for a minimum of 7 years before archiving. The Student's enrolment application and any related documentation is retained in the student's file.

3. Attendance

Legal requirements— *this section outlines the general attendance rules to the end of compulsory schooling in order to provide a context for the current level of operations at the School.*

The NSW Education Amendment (School Attendance) Bill 2009 authorises relevant institutions and other people to provide information to the Principal or her / his delegate-General about a student who is not attending school as required by the Act. The Act also imposes a duty on relevant institutions to provide such information if requested by the Principal or her / his delegate-General. It also requires school principals to keep in the register of enrolments and attendance particulars about absences of children from school for medical or other reasons, and particulars about any unsatisfactory school attendance by children of compulsory school-age. Requirements for this were updated for the commencement of 2012.

Compulsory school-age

Section 21B of the Education Act states:

- (1) For the purposes of this Act, a child is of [compulsory school-age](#) if the child is of or above the age of 6 years and below the minimum [school](#) leaving age.
- (2) The minimum [school](#) leaving age is:
 - (a) the age at which the child completes Year 10 of secondary education (subject to participation required by subsection (3)), or
 - (b) the age of 17 years, whichever first occurs.

4. Implementation

Student attendance is primarily the responsibility of students and parents/caregivers/ independent students. In order for parents/caregivers to fulfill their responsibility, the Principal will keep parents/caregivers informed of student absences and parents/caregivers will be required to keep the School informed when their **child** is absent.

The expectation of the parties to the School attendance requirement follows:

Students are expected to:

- attend the School every day and be punctual

Parents/caregivers are expected to:

- notify the School of student absences promptly
- contact the School and request make-up work during student absences
- attend all scheduled school meetings
- assist the School in upholding the standards of student attendance

The teachers and other staff are expected to:

- record student attendance on each teacher's class roll(electronic)daily
- provide make-up work to students upon request. Make-up work is encouraged so that students will profit from future instruction
- provide thoughtful, significant and engaging curriculum and create a positive learning environment to encourage student attendance

According to Section 25 of the Education Act 1990, the Minister may grant a certificate of exemption for a child to be enrolled at a government school or a registered non-government school or to be registered for homeschooling. The School maintains a record of all documentation and copies of certificates issued under the delegation as relevant.

Responsibilities Related to Recording Student Attendance and Absences (in accordance with the 2015 NSW Attendance Register Codes)

Attendance on a daily basis is a mandatory requirement of all full- time students. For students who have a negotiated part-time enrolment basis, they are responsible for attending all of their allocated days or applying for an 'explained absence'.

All attendance registers are maintained using the NSW Attendance Register Codes 2015. The attendance register of each student will be retained permanently by the School for a minimum of 7 years before archiving. All notes and records of verbal explanations of absence from parents, and records for Certificates of Exemption from Attendance and Enrolment will be retained permanently by the School for a minimum of 7 years before archiving.

1. Notification of absences

- Full time students* are expected to be in the School every day. Parents/guardians are expected to contact the School on the day of the student's absence to inform the School of that absence. (Parents/guardians are encouraged to notify the School of pre-arranged appointments as soon as the date of such appointments is known. When such notification is made, the parent/guardian need not contact the School on the first day of the absence).
- For any absence (inclusive of partial absences), *a written note providing the dates of and reasons* for the student's absence is required from the parent/caregiver within **ten** days of the student's

return to the School. The purpose of this note is to determine whether or not the student's absence is explained or unjustified. This note will be maintained in the student file until the end of the School's year, for documentation purposes.

- c. Unexplained absences of 3 days or more will be reported to Principal by the Office Manager and the Principal or his delegate will contact the parents.
- d. *P* = partial absences. Absences for part of a day, or unjustified lateness or fractional truancy have this code. The other codes as described in the section below are then added when the reason for the partial absence is determined. These absences are not included in the absence return.

2. Types of absences/attendance codes

The following explanations provide the types of student absence that can be recorded from the School, as per the new Attendance Register Codes [the types below are listed according to the symbols used in the register codes].

- a. *A* = this is an unexplained or unjustified absence. This will be given if no acceptable notice for the absence is given within 7 days of the absence. It is the Principal's discretion to accept the explanation provided.
- b. *B* = this is acceptable absence based on alternative school business which the Principal approves. Examples of this include leaving the school site to engage in school excursions, sport (school representative) or other approved business such as work experience. These absences are not included in the absence return.
- c. *E* = suspension from school. This includes a student who leaves the school without authorisation. Note the category *M* below for students who may start an approved re-entry program after suspension.
- d. *L* = approved leave. Examples of this leave include:
 - i. Family holidays (an extended holiday in term time does require a certificate of exemption cf Certificate of Exemption Policy) It is at the Principal's discretion to determine if the leave is in the best interests of the student. The guidelines will include: How will this impact the student's education? (based on such factors as length of time of requested leave, the child's capacity for learning); Will the student be able to complete school work while on leave, is the leave beneficial in other ways for the child? Will the leave be an educational experience?
 - ii. Misadventure or unforeseen event
 - iii. Participation in special non-school events
 - iv. Domestic necessity – e.g. illness of an immediate family member
 - v. Attendance at a funeral
 - vi. Recognised religious or other event
- e. *M* = approved exemption. For students of compulsory school age must apply in advance for exemption; it cannot be given retrospectively; and the Principal cannot delegate the responsibility for assessing and granting or denying exemptions, which must demonstrate procedural fairness. All applications must be in writing according to the set form on the School's letterhead. The key guideline for assessing exemptions is whether *it is in the best interest of the child*. Reasons for exemption from day attendance at school include:
 - i. *Full day* – exceptional domestic circumstances; sick leave not otherwise covered; engagement in the entertainment or competitive sports fields; exclusion because of the Public Health Act
 - ii. *Part day* – behaviour management plans (note – parental agreement in writing means that an application for exemption need not be completed – and this may also include full days, up to the 50 day limit)

These absences are not included in the absence return. The original certificates of exemption will be given to the parents and a copy included in the student file.

- f. P = partial absences. Absences for part of a day, or unjustified lateness or fractional truancy have this code. The other codes as described in this section are then added when the reason for the partial absence is determined. These absences are not included in the absence return.
- g. S = sickness. This is for sickness of the student (only), or a medical appointment. A medical certificate can be required if the explanation is doubted or if the student has a history of unsatisfactory attendance.
- h. X = First and last day. This is used to show the first day and the last day of the school term that the student attended.
- i. F= The student is participating in a flexible timetable and are not present because they are not required at school. This would include participation in: HSC Pathways Program, Best Start Assessments, Trial or HSC examinations and VET courses.
- j. H= The student is required to be attending an alternative educational setting on a sessional or full-time basis such as an external tutorial centre or distance education or hospital schools.

A BLANK means the student was present at school.

5. Unsatisfactory attendance

Parents or guardians of students who incurred unsatisfactory attendance records will be notified by the Principal (or delegate) Absence of 20 days or more per academic year (without verifiable evidence such as medical certificates) is considered to be unsatisfactory attendance. Continued absenteeism and lateness may jeopardise the student's enrolment at the School. Parents or guardians may be required to meet with the Principal to discuss how attendance and lateness can be improved. Students may be placed on a probation period if the student's attendance and lateness do not improve.

If a student has a pattern of poor attendance, the Principal will:

- Contact the parent/caregiver. An Improvement Plan to improve attendance will be put in place where poor attendance which is unjustifiable is sought to be addressed.
- Where frequent absences are due to illness, medical certificates for the absences will be sought and the parents/caregivers will be consulted regarding the health concerns of the student.
- Where Student Attendance Improvement Plans have failed to correct poor attendance independent schools can obtain assistance through the department of Education legal branch and can obtain assistance from the AIS

6. Procedures for Monitoring and Maintaining Records for Student Attendance

The Principal maintains an electronic register of daily attendance. The attendance register contains the following information of each student:

- daily attendance
- absences
- reasons for absence
- documentation to substantiate reason for absence

The Primary Class Teacher will:

- Record the daily attendance or absences of K-6 students at 9am. A student who arrives at school after 9am, will get a late card from the Front Office to be given to their class teacher.
- Record all student absences for the day in the shared electronic *Attendance file*.

The Secondary Class Teacher will:

- Record the daily attendance or absences of Year 7-12 students at 8:30am in their classes. A student who arrives at school after 8:30am, will get a late card from the Front Office to be given to their class teacher.
- Record all student absences for the day in the shared electronic *Attendance file*.

The Office Manager will:

- Record the time and reasons for all late arrivals in the shared electronic *Attendance file*, provide students with a late card to be given to their teacher. When a lateness is a partial absence will be marked with appropriate code with the time partially absent and state reason as notes.
- The office manager will notify parents to complete on Google Forms [Partial Absence](#) for a partial absence (arrival after 9:10 am for Primary and 8:40am for Secondary or an early departure before 3pm). Partial Absence notes are stored in the *Attendance file* in Google Drive.
- Notify parents via sms or email to complete on Google Forms [Absent Note](#) with the reason for the absence within **ten** days of the student's absence from school. A medical certificate is required to explain prolonged absences of three or more days. Absentee notes are stored in the *Attendance file* in Google Drive.
- Send the parent an SMS or email to inform them of any absence from their child/children
- Contact a parent who fails to provide a note after the **ten** days of the student's absence from school. The contact with the parent will be logged and the outcome recorded on the *Attendance file* under notes.
- Record the correct code and the reason for an absence in the shared electronic *Attendance file*. Parents must notify the School as soon as they know that their child will be absent by calling the office on 02 9567 8133, or emailing contact@kccs.nsw.edu.au.
- The office manager will contact the parent/caregiver on the second day of the student's absence if the school has not been informed of the reason for the absence.
- Record the reason given on the absentee/Partial absence form on the electronic roll
- Report any unexplained absence to the Principal or his/her delegated authority when an absentee note has not been provided after the follow-up contact with the student's parent/ caregiver. The Principal will follow-up with the parent/caregiver.
- Record unsatisfactory attendance into the student's file.
- Contact parents/ caregivers regarding a student's poor attendance and notify the Principal.

If a student has a pattern of poor attendance, the Principal (or delegate) will:

- Contact the parent/caregiver. A Plan to Improve Attendance will be put in place where poor attendance which is unjustifiable is sought to be addressed.
- Notify the DEC Student Liaison Home Liaison Officer as per the government guidelines. if the poor attendance continues.

7. Early Departures

Procedure Description:

Procedures are in place to ensure that students leaving school early are accompanied by a parent/caregiver.

Procedures:

1. Any parent/guardian requiring their student to have an early departure from school must sign the student out at the Front Office, and notify the Office Manager the reason for the early departure. A Partial absence is recorded in the *Attendance file* with the time and the reason for the early departure.
2. If the child is departing with a person who is not the parent/caregiver, the parent/ caregiver must inform the person on duty (either by note or email) in the School Office to the early departure identifying the person who will be collecting the child.

1. Rationale

Each day of the school year KCCS delivers an educational program to all students in attendance. Students are enrolled at KCCS on the understanding of parents/caregivers that compulsory attendance is required for the satisfactory completion of the NESA School Program until age 17. This policy seeks to fulfil legislative requirements and provide a process for the application for exemption from school.

2. Policy

The aim of this policy is to outline the procedures to be followed when exercising delegations regarding a *Certificate of Exemption* from school enrolment and attendance in the following circumstances:

- Granting and cancelling of a *Certificate of Exemption* from being enrolled and attending school for periods totaling up to 100 days in a twelve month period;
- Granting and cancelling of a *Certificate of Exemption* from being enrolled and attending school for an indefinite period for students who have completed Year 9 of secondary education and who have been approved to undertake a full-time apprenticeship or traineeship.

It includes the process for application and the recording of documentation

2. Context

It is the duty of parents to comply with the *Education Act 1990* and the duty of the school to maintain records of enrolment and attendance, have in place policies and procedures to provide for a safe and supportive environment for students including the provision for the welfare of students and for the protection of children. Under 3.8 (NSW Registration Manual), the Principal is to implement the policy and procedures for exercising their delegated authority and the maintenance of the exercise of that delegation including all certificates issued to students.

3. Definitions

Compulsory school age: A child is of compulsory school-age if the child is or above the age of 6 years

Minimum school leaving age: The age at which the child completes Year 10 of secondary education or the age of 17 years, whichever first occurs. A *Certificate of Exemption* is granted when the applicant has clearly demonstrated to the Principal that the exemption is in the student's best interests in the short and long term and when, where appropriate, other alternatives have been explored. The Principal will also take advice from the teacher/teachers to show the likely impact of approving extended. The Certificate of Exemption cannot exceed 100 days total for a 12 month period for any one student.

An application for a *Certificate of Exemption* should be made in writing in advance. Exemptions will not be granted retrospectively. Appeals to decisions should be made in writing to the Principal. Appeals against the decision by the Principal can be made to the Minister of Education (NSW).
